LVN-TO-RN PROGRAM

The Mendocino College LVN-to-RN Program is designed for LVNs currently licensed in California to obtain the education and training needed to sit for the California Registered Nursing Licensure Exam (NCLEX-RN).

The program is two full-time semesters of RN courses as well as one short-term transition course after completion of prerequisites and general education.

Applications are available each September for Spring admission.

PLEASE NOTE

If you are an LVN that challenged the LVN boards from military service, you are eligible for admission with **Advanced Standing** to our second semester. The program is three semesters of full-time coursework. Visit our website for an Advanced Standing application.
